Weather  
I don't + or had o  
I look like a cone  
I eat nothing  
I live in hot and cold air  
I eat everything  
I sound like a mosquito  
I have no friends  
My enemies are stars and craters  
I destroy things  
I dream about being a human  
I go to Florida for vacation  
I communicate with clouds  
My secret weapon is a killing machine

I was hiding like in hide and seek under a chair. Then they found me and put me on the thing so I can get stitches & doctors had to hold me down like a wild dog. I was getting stitches I + butt like metal being in my head then I felt something like a dog biting me they were sewing my head. I was falling asleep when I wore my I go to keep pop-sicles a book and a bandaid for my head.
